

## LA MATHESON SECONDARY ATHLETICS PARENTAL CONSENT

LA Matheson is a member of the Surrey Secondary Schools' Athletic Association and Fraser Valley Secondary Schools' Athletic Association. Both associations feel that the Inter-High Athletic Program can only operate if students who are involved on school teams honour certain responsibilities and commitments. All coaching by teachers, parents or students is PURELY VOLUNTARY and these people have accepted a commitment to uphold the rules of the both the SSSAA and FVSSAA. The following information and regulations are to be seriously considered by your son/daughter before participating on a school team. Please read and discuss them with him/her and if you agree sign the consent form below.

The following regulations are really nothing more than common courtesy. The Athletic Association feels that the form is necessary because of the serious repercussions to the school's athletic program if just one team fails to fulfill its commitment to their respective league.
